REQUEST FOR RECONSIDERATION UNDER 37 C.F.R. § 1.111

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

This communication is in response to the Office Action (“OA”) mailed April 14, 2009. The Examiner is authorized to charge any fee in conjunction with this patent application, now or at any time during prosecution (with the exception of the fee for allowance) to our Account Number 501479.

Amendment To The Claims

Exhibit 1, attached, presents the status of all claims in this application. Claims 63-65 are newly presented. The newly presented claims are fully supported by the initially filed claims and the specification. *See*, for example, Table 5. An important difference between the newly presented claims and the other pending claims is that the newly presented claims add the recitation ‘the separation of more than one fraction wherein one fraction is selected.

Claims 48 and 58 are amended to correct obvious antecedent basis defects.

No new matter is added. Presently, claims 32, 40-41, 47-49, 56-59, and 62-65 are under consideration.

REMARKS

Applicant acknowledges thankfully the withdrawal of the rejections under §112, upon amendments reverting claim format to that earlier sought by applicant.
